Offshore Project Manager in India, Internship (2011)

« When I think of Thibaut the only thing comes to my mind is WORK and on time!! He always keeps his work on his top priority irrespective of time. He is a good person in general and a good manager to any team. »

Mohammed Shahid Ali, Business Developer, Project Manager

Offshore Project Manager in India, Internship (2011)

« It is a distinct pleasure to recommend an esteemed business associate and a good friend - Thibaut Christ. Thibu (as I call him) lead the team in CATT Ltd's Development Center as an offshore Project Manager for one of our esteemed client. He is a highly dedicated employee with a strong work ethic. Consistently pleasant, tackling all assignments with dedication and a smile. Lover of life, Geek and a great company to be with. It's a privilege to know him on a personal and a professional front. I am positive that he will be one extremely valuable asset to any organization. »

Jack DAWSON, Marketing, Business Developer

Offshore Project Manager in India, Internship (2011)

« Efficient and Skilled Manager. »

Praveen DUSARI, Senior Web Developer

Offshore Project Manager in India, Internship (2011)

« It has been for me a real pleasure to work with Thibaut on a web project. I have seen that he is serious, organized and competent in his work. »

David BLOOM, Freelance Senior Web Developer

IT Programmer Analyst, Internship (2010) & Freelance (Since 04/2010)

« I, Vincent PARISSIS, General Manager of the company COM2B.NETWORKS, attests to the quality of training and professionalism that Mr. Thibaut CHRIST was able to demonstrate in our company during a full period of 3 months, from January to April 2010.

He is serious, conscientious, competent, open to change, reactive, proactive and flexible. His ability to listen and collaborate within a team will make him an excellent Project Leader or Manager.

We managed with him many projects of interactive online multi-technology and web programming languages. »

Vincent PARISSIS, General Manager

IT Programmer Analyst, Internship (2010) & Freelance (Since 04/2010)

« Working with Thibaut is a real pleasure.

He quickly assimilates the information and issues related to a project.

We can have confidence in his work, always achieved carefully with a high attention to detail. »

Aurélie HENDRICKX, Production Coordinator, Content Manager, Client Support

<http://www.com2b.be>

IT Programmer Analyst, Internship (2010) & Freelance (Since 04/2010)

*« Thibaut is methodical and works effectively. He is able to face problems and find adapted solutions always calmly and professionally.
He is always in a good mood and is a very nice person.
He is a great colleague! »*

Daniel SUM, Freelance Senior Web Developer

IT Programmer Analyst, Internship (2009)

*« Thibaut made a 4-month internship in our company from May to September 2009.
He joined our J2EE development team on a web application such as ERP.
He helped to correct bugs and develop new features.
Thibaut made a very good work, well beyond what one would expect of a student of this grade level. His involvement, motivation and relational are making of Thibaut a good element. »*

Michaël LENEVEUT, J2EE Development team Manager
